"For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ."

1 Corinthians 12:12

New Life Beyond Cancellation

In the season of Easter, we look to resurrection as a part of who we are as followers of Christ. It is part of who we are because we follow in the ways of Christ. Our story tells of how powerful people tried to "cancel" Jesus because he was a threat to the system, whether an out-of-touch religious hierarchy that made it incredibly difficult for the average person to be in God's favor, or the imperial political structure that subjugated Israel in the time of Jesus. Jesus' "cancellation" took the form of a gruesome Roman method of capital punishment called crucifixion. However, the story did not end with self-giving sacrifice, but rather triumphantly sees Jesus rise from the grave as testimony that love is more powerful than death!

As we enter the month of May, we recognize with the wider American society, May as Asian American, Native Hawaiian, and Pacific Islander (AANHPI) Heritage Month, a time to celebrate the contributions and diverse cultures of Asian Americans, Native Hawaiians, and Pacific Islanders to the history and culture of the United States. The month was officially recognized by Congress in 1992. May was chosen to coincide with two significant events: the arrival of the first Japanese immigrants on May 7, 1843 and the completion of the transcontinental railroad, which was a major undertaking by Chinese workers, on May 10, 1869.

Within our beloved United Church of Christ denomination, your Pacific Islander and Asian American Ministries (PAAM, of which I am currently serving as national vice-moderator) has been tirelessly working to elevate and acknowledge the voices of Asian Americans and Pacific Islanders in the life and ministry of the UCC. After

many years of considering changing the date of PAAM Sunday from the last Sunday of April to instead be the first Sunday in May (to coincide with Asian Pacific Heritage Month as recognized in the wider American context, it was finally approved by our national UCC Board of Directors late in last year, 2024!)

As our PAAM officers were preparing for our new informational brochure, I wanted to be sure to include the official date change in our distributed information. As I was looking for more information about how we wanted to coincide with the national recognition of Asian American and Pacific Islanders that is when I found out: On January 20, 2025, President Donald Trump issued Initial Rescissions of Harmful Executive Orders Executive Order 14148 eliminating US federal recognition of AANHPI Heritage Month.

It may go without saying that I felt like we were cancelled. Nevertheless, the Executive Order only applies to federal recognition of the celebration. I am assuming that anyone outside the direct jurisdiction of the federal government, including individual State governments and private institutions are allowed, if not encouraged, to continue to celebrate the diversity of cultures that enrich our church and wider society. Our voices will still be heard!

This year, we will even be designating two Sundays in May toward that end. Be sure to join us on May the Fourth as we celebrate the new date of PAAM Sunday as the first Sunday in May, with the added theme of Asian American influence in Star Wars (popular) culture along with La Hula I Ke Akua dancers joining us as special dance offerings. Then, on May 18, our regional Southern California Nevada PAAM is hosting a Conference-wide pulpit exchange with 8 Conference churches participating. Rev. Teogenes from Faith Community Church in Perris will be our preacher in MPCC that day,

while I go to Los Angeles Filipino-American UCC in Eagle Rock.

So as much as our federal government will not commit resources to recognizing, much less celebrating, our diverse nation, our voices and personhood will not be diminished! If Jewish authorities and the Roman Empire were ultimately unsuccessful in cancelling Jesus Christ, we know there is still hope for Asian and Pacific voices in the diverse Body of Christ!

With You in the Body of Christ,
Pastor Mitchell

A Message from our Moderator...
Lori Katayama

In April, the Japanese language sensei added a beginner's class on Mondays which began meeting at 1:30pm before the conversation class. I came down to church to make sure everything was going well with the class and was pleasantly surprised when meeting the participants. Three of the ladies were mothers of former Summer Ex kids. Those "kids" are now in their late 20s and early 30s! It seems so long ago yet I was happy to hear in our brief reunion that they remembered our program and how much fun the kids had back then.

Included in this month's newsletter is information about Summer Exploration 2025. I've always felt that Summer Ex was about changing lives (my own as well) because of its emphasis on outreach to both staff and kids. Please let your neighbors, family, and friends know about this wonderful program.

I realize I have been absent lately – trips to Texas and Japan have kept me busy since last fall. I would like to thank everyone in the congregation for helping out with the many activities especially the installation of our new conference minister, Rev. Rachael Pryor. I have been watching the services online when I'm away (even in Japan!) and I really appreciate all the people who have been stepping up to give that warm MPCC welcome.

Please save the date – June 7 – for our annual Bazaar and don't forget to preorder your bento box. I hope to see you all there!

Thank you to the church members who helped with our Conference Minister Rev. Rachael Pryor's installation on Saturday March 29, 2025. There were about 200 people who attended. We gave out about 80 stoles. We made

about \$720 which we gave half to our church and half to Southern California Nevada Conference UCC for the Seminarian fund. Thank you to Art and Lynne H., Ron N., Mac R., Melody T., Tricia T., Kiku Y., Annie Y., Evelyn Y., and Nitaya Y. for contributing food. Christine K. and Ku'ulei P. assisted with stoles distribution. Alice H. and Lynne H. welcomed our guests while Bien R., Melody T., and Art H. assisted in the parking lot. We appreciate Maria M. and Yvonne P. who assisted in the kitchen preparations for the reception.

Howard Sakamoto's memorial service was on March 29 at Evergreen Baptist Church SGV. Our church members brought desserts to add to the reception.

Kiku K. was our lay reader for the Maundy Friday Service at San Marino UCC. We enjoyed the delicious soup from our host San Marino UCC. Lori Katayama was the lay reader for Good Friday Service at MPCC.

Our next wider church offering is the Strengthen the Church Offering: (STC) Offering reflects the shared commitment of people across the United Church of Christ to cooperatively build up the UCC. Conferences and the national setting equally share the gifts given by members and friends through their local congregations. The funds raised support leadership development, new churches, youth ministry, and innovation in existing congregations. By your generosity to this offering, you build up the Body of Christ.

3/26/25 Nitaya Y., Ed Y., Christine K., and Art H. pressure-washed the lanai and steps, weeded and cleaned the alley by the Pastor's office, and cleaned all parking lots. They mowed and weed whacked 10th St. parkway and parsonage back yard. They also weeded and watered trees in the Angel lot. Terry and Suzy H., Carolyn W., Jean K., Sets S. and her caregiver, Sharon I., Alice H., Kiku K., Ernie A., Chris C., and Lynne H. folded and labeled the Good News for mailing. Sharon brought pizza for us to celebrate Sets' 95th birthday everyone sang "Happy Birthday" along with Pastor's accompaniment on the ukulele.

3/28/25 Volunteers helped set up Mori hall for the upcoming Conference minister installation since our church is hosting it. Afterwards, they took recycled items to the recycling.

4/2/25 Ernie A., Christine K., and Nitaya Y. mowed the Greenwood parkway lawn and helped with the Spring Exploration group by setting up and making lunch for staff.

4/9/25 Art and Lynne H., Alice H., Ernie A., and Nitaya Y. mowed and weed whacked the front and back yard of the parsonage, dug a drainage for water in the Angel's parking lot, and then watered the plants in the parking lot. They also organized the drawers and cabinets in the kitchen.

4/16/25 Christine K., Alice H., Art and Lynne H., Joe P., and Pastor Mitchell and Nitaya Y. weed whacked the strip of 10th Street parkway, and swept Los Angeles and Angel's parking lot. They turned on the sprinkler in the Angel lot and found a broken water pipe, which Joe will help fix the next day. They moved the orange tree in the parking lot due to the broken pipe. They also moved the wood planters to the Greenwood side walk to give away. They did some yardwork on the Greenwood parkway by removing the seeds from the trees, pull weeds, and trim the Bird of Paradise plant. Lastly, arranged the coffee and spice cabinet in the kitchen and cleaned and threw away expired food in the refrigerator.

Save Used Stamps**Update****"Thank You"**

We are trying to fill a new medium size priority postal box. Thank you to all who have been diligently collecting "used" stamps, I greatly appreciate your time and effort.

After Japan receives the stamps, it is sold to collectors. With that money, aides are sent to countries in need.

Our goal at MPCC is to help the church, community, and other nations collectively with other UCC churches collecting "used stamps", we can make a difference! - Evelyn Yoshimi
