Upcoming this Summer!

Summer Exploration July 7th – July 20th 2025

"Rooted in Love"

Plan. Pivot. These two words came to mind as I was thinking of Summer Ex. As you might guess, preparing for Summer Ex takes a lot of planning and pivoting. You gotta plan lots of things ahead of time: What's gonna be the theme? What do we want for the logo? How about the curriculum? Music? Activities? Trips?... All this while not knowing how many kids are going to come, who will be on your staff, what the

weather will be like, etc. Ah, but that's where the pivoting comes in.

When you're playing basketball, the plan is for your team to win. (At least in most cases, that's the plan!) But most of the time, the path to the basket isn't wide open and straight ahead. There are things in your way—y'know, like the other team. That's where pivoting comes into play. You've gotta pivot, change direction, go around: you still head toward the basket—or you pass the ball to a teammate heading to the basket—but you hafta pivot here and there so you don't run into whatever or whoever is blocking you.

Plan. Pivot. That's what we're doing while prepping for Summer Ex. And I believe God is using that same strategy in other people's lives to bring them to Summer Ex this year. Some will come because they've planned to but others will come because previously made plans fell through so they'll pivot and come to Summer Ex. Either way, we'll be happy to have them join us! And if that applies to you, we'll be happy to have you join us! We're looking forward to a great summer! In fact, we're planning on it!
