TRICK-OR-TREAT?

Halloween is a celebrated tradition here in the United States and most Americans participate in this tradition. According to www.CNN.com, about 70% of Americans celebrate Halloween from pumpkin carving, trick or treating, dressing up, and much more.

Unfortunately, Los Angeles County issued guidance discouraging families from our usual Halloween traditions especially trick or treating. However, they encouraged virtual or social distancing activities to celebrate.

For our Sunday School kids, we will have a Virtual Pumpkin Carving Contest. So carve your best pumpkin and send us a picture by October 25th mpccucc@gmail.com.

On October 24th we will have a Halloween event that follows the issued guidelines for the safety of our community. More details will follow shortly so keep on a lookout.

Sunday School News

Sunday School has (un)officially begun. We're still waiting to hold in-person classes but lessons have been done via mail and virtually. The plan so far:

First Sundays - we're joining the livestream service for communion

Second Sundays - tentatively a virtual zoom lesson, game, or craft (Pre-K to 8th Grade)

Third Sundays - tentatively a virtual zoom lesson (Pre-K to 8th Grade)

Fourth/Fifth Sundays - we're joining the livestream service

For 8th to 12th Grade, class meets on Fri/Sat night and on the third Saturdays there is a Youth Fellowship for Jr. High to College.

If you (your child) would like to join us please contact Ms Lori or Ms BJ to get on the email/mail list. Hope to "see" you soon.

Ms. Lori

Wanted: Sunday School Teachers and Superintendent

Although we aren't holding in-person Sunday school classes yet, we are still in need of staff to help out. Some lessons and materials will be sent out to our kids and you can help by reaching out to them and guiding them through the lesson. We are also still in search of a Sunday school superintendent to begin immediately. If you are able to help please contact Lori Katayama or Jayson Davies.
